

LIVE HOMEWORK HELP by Tutor.com is an innovative after school and week-end program connecting students to expert tutors in Math, Science, Social Studies, and English.

Program Benefits:

- Tutors focus on serving one student at a time.
- Sessions are student driven focusing on 4th – 12th graders and college providing help on a specific topic or problem area.
- Tutors are trained to work with students to help them arrive at the solution NOT just to give answers.
- Tutors encourage students to demonstrate problem solving techniques learned in the classroom & reinforce these techniques.
- Tutor's help is on demand and anonymous.
- Sessions are geared to last 20 minutes, but time varies depending on the question/topic.
