The Workshop in Business Opportunities (WIBO) is a private non-profit organization that is committed to assisting men and women with the drive to become successful entrepreneurs. WIBO's mission is to enable small business owners and budding entrepreneurs from underserved communities to obtain financial success by starting, operating, and building successful businesses that develop economic power, provide jobs and improve communities.

The *WIBO Alliance Fall Class of 2011* is sponsoring a community-wide Health Fair on January 7, 2012 from 11am to 6pm at the Blessed Sacrament Parish, located at 275 Union Avenue, Bridgeport, CT. The purpose of the Health Fair is to increase health awareness through education and prevention.

The *WIBO Fall Class of 2011* believes this Health Fair will provide a valuable service to our community. Your participation will help us in our efforts. We want to provide (*basic health screenings, immunizations, and blood pressure and glucose checks*) as well as a variety of informational booths designed to help the community become aware of the many health-related programs, services, and providers located in our surrounding community and have a little fun for kids.

The Health Fair will be open to both adults and children. We anticipate an attendance of 1000 people or more. We are asking that each participant provide some form of information/educational materials, demonstration, or service for the Health Fair.

If you have expertise you would like to share with those attending the Health Fair, please indicate on the attached response form.

To facilitate our planning, please return the attached response form no later than *December 31, 2011*. If you have any questions, do not hesitate to contact the Health Fair Chairman, *John Devone* at [\(203\) 727-3748](tel:2037273748).

We are excited about providing this Health Fair to our community and look forward to your participation.

Sincerely,

*John Devone*, Health Fair Chairman
