

Biology Portfolio  
Assured Experiences

Marking Period	Assured Experience	Date Started	Date Completed	Student Score
1	Science Fair proposal & Research			
Unit 1	Lab Safety & Procedures Activity			
	Designing A Controlled Experiment			
	Graphing			
Unit 2	Apple Sauce & Enzymes			
	Penny lab			
Unit 3	Cell Study- using the Microscope			
	Diffusion/ Osmosis Lab			

Marking Period	Assured Experience	Date Started	Date Completed	Student Score
2				
Unit 4	Yeast Population			
	Human Population			
Unit 5	Play or Story illustrating Mitosis & Meiosis			
Marking Period	Assured Experience	Date Started	Date Completed	Student Score
3				
Unit 6	Bioengineered foods			
	Decoding Activity			
	DNA Extraction Lab			
	<b>Completed Science Fair Project</b>			
Unit 7	Genetic probability Activity			
	Blood Type Simulation lab			
	Genetic Disorder Lab			

Marking Period	Assured Experience	Date Started	Date Completed	Student Score
4				
Unit 8	Natural Selection Lab			
Unit 9	Disease Transmission Lab			
Unit 10	Owl pellet Dissection			
	Biome Project
