

Proposed Boundary Changes

East

Beardsley School (PreK-6): Parts of Beardsley's current boundary will be re-zoned to Marin School.

Marin School (PreK-8): The boundary will be expanded to accept parts of Beardsley's zone and part of Edison's zone. Barnum will no longer feed into Marin for grade 7.

Barnum School (PreK-8): Boundary will include the existing Barnum boundary and part of Garfield's zone. The bilingual program from Garfield will be housed at Barnum.

Garfield School: School will close. The zone will be divided between Barnum and Waltersville Schools.

Waltersville School (PreK-8): Boundary will include the major part of Waltersville's current zone and part of Garfield's zone. The part of Waltersville's zone that is the former Newfield School zone will attend Dunbar School.

Dunbar School (K-8): Boundary will include Dunbar's current zone, the part of Waltersville's zone that is the former Newfield zone, and part of the current Hall School zone. McKinley will no longer feed to Dunbar for 7th grade.

Tisdale School (PreK-8): Boundary will include the current McKinley boundary and part of the Hall School zone. Edison will feed to Tisdale for 7th grade.

Hall School (K-6): Part of the neighborhood will go to Dunbar School and part will go to Tisdale School.

Edison School (PK-6): Part of the Edison zone will go to Marin School, and part will go to Hall School. All of Edison will feed to Tisdale for 7th grade.

West

Winthrop School (K-8): Students will no longer feed in from Waltersville School. Part of Blackham School's zone will now be assigned to Winthrop.

Cross School (K-8): Part of Madison School's zone will go to Cross.

Blackham School (PreK-8): Parts of Madison School's boundary will be changed to Blackham. Madison will take parts of the Blackham zone. Part of Blackham's zone will go to Winthrop.

Madison School (K-6): Madison will take parts of Blackham and Webster schools' zones. Parts of Madison School's zone will go to Cross and Blackham. Madison will return to a K-6 configuration. All of Madison will feed to Blackham for 7th grade.

Read School (PreK-8): Part of Webster School's zone will attend Read School. No other schools will school feed into Read.

North End School (PreK-8): The boundary will include part of Webster School's zone and parts of Blackham, Cesar Batalla and Columbus Schools' zones.

Columbus School (PreK-8): Part of the Columbus boundary will go to the North End School. It will be temporarily located at the South End School facility while it is renovated. It will become a PreK-8 school, no longer feeding into Roosevelt.

Curiale (K-8): The boundary will include part of Cesar Batalla's current zone.

Bryant (PreK-6): Part of Bryant's zone will go to Cesar Batalla. Bryant will return to a PreK-6 configuration feeding into Batalla for 7th grade.

Cesar Batalla (PreK-8): Parts of Cesar Batalla's zone will become parts of North End, Curiale and Roosevelt Schools' boundaries. Batalla will take part of Bryant zone. Bryant will feed into Batalla for 7th grade instead of 6th.

Roosevelt (PreK-8): Part of Cesar Batalla's zone will go to Roosevelt. Columbus will no longer feed into Roosevelt.

Please refer to the attached boundary maps for the East and West areas of the district. The color-shaded areas represent the current boundary of a school. The red line represents the new boundary.
