DATE: May 7, 2015

SUBJECT: Asbestos Removal- Central High School

This is to inform you that from Monday, June 1, 2015, through Monday, June 22, 2015, (2:30PM – 10:30PM) we will be disturbing approximately 1,500 SF of breeching insulation, 50 SF of mudded pipe fitting insulation, and 2 vibration isolation joint collars from basement storage room F10 at Central High School.

Please be advised that all work will be conducted within the Federal and State regulations for proper asbestos abatement procedures. During this project the asbestos abatement contractor will be monitored by an industrial hygiene firm, Fuss & O'Neill EnviroScience, LLC located at 56 Quarry Road in Trumbull, Connecticut (Contact Person/Project Manager; Kevin McCarthy, (203) 374-3748).

The licensed asbestos abatement contractor (CT license number 000659) will be SMI Demolition from Manchester, Connecticut (Contact Person/Project Manager; Mr. Michael Francis, (860) 281-7340).

The State of Connecticut Department of Public Health – Asbestos Program is located at 410 Capital Avenue in Hartford, Connecticut (Contact phone (860) 509-7367).

**Please post this notice in the area of abatement, on the main entrance to the school, in staff break room, and distribute to all staff and parents**

Should you have any questions regarding this project, please contact Robert Hedman, O&G Construction/Bridgeport School Construction Program, at (203) 576-7647.
