

PowerSource Training for PowerTeacher Pro

PowerSource is an additional site that is offered by PowerSchool to provide a knowledge base, online training and tutorials as well as a source for community interaction and resources. All teachers and staff with access to PowerSchool has access to PowerSource. You should have received an email directly from PowerSource to invite you to enter your email address and create your own password.

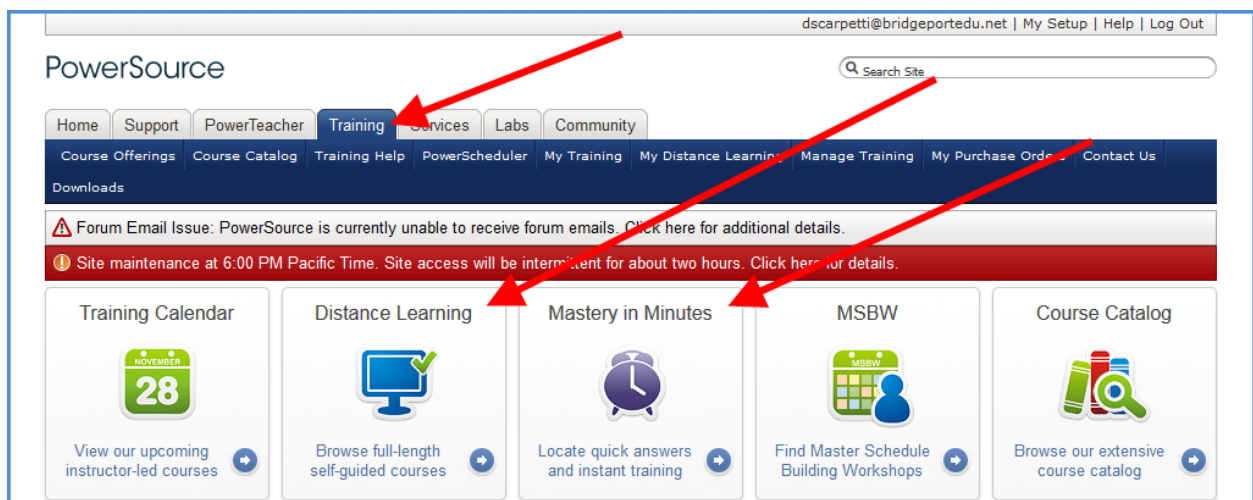

If you didn't receive an email, don't know if you ever received one or forgot your password, contact Data Management and they will assist you.

Log into PowerSource with your email address and the password you created.

Once on the page, select the "Training" tab.

You can then select either "Distance Learning" or "Mastery in Minutes"

“Distance Learning” is an online course meant to give you a close look at the subject you choose with exercises and quizzes to help you understand.

Enter “PowerTeacher Pro” into the Keywords box and select “Update Results”

The screenshot shows the PowerSource website interface. At the top, there is a search bar and navigation tabs for Home, Support, PowerTeacher, Training, Services, Labs, and Community. Below the navigation is a sub-menu with Course Offerings, Course Catalog, Training Help, PowerScheduler, My Training, My Distance Learning, Manage Training, My Purchase Orders, and Contact Us. A red banner at the top indicates site maintenance at 6:00 PM Pacific Time. The main content area is titled 'Course Offerings' and includes a breadcrumb trail: Home > Training > Course Offerings > Distance Learning. A filter sidebar on the left allows users to filter results by Keywords (set to 'PowerTeacher Pro'), Products, Roles, Categories, Mobile Device Compatibility, and New or Recently Updated. The 'Update Results' button is highlighted with a red arrow. The main results table shows four courses, each with a 'Launch' button highlighted by a red arrow. The courses are: 'PowerTeacher Pro Part 1: Setup, Assignments, and Grading' (2111 views), 'PowerTeacher Pro Part 2: Analysis and Reporting' (994 views), 'PowerTeacher Pro: Setting Up District Grading Preferences' (403 views), and 'PowerTeacher Pro: Setting Up School Grading Preferences' (475 views). All courses are marked as 'Compatible' and have mobile device icons.

Course Title	Views	Compatibility	Action
PowerTeacher Pro Part 1: Setup, Assignments, and Grading	2111	Compatible	Launch
PowerTeacher Pro Part 2: Analysis and Reporting	994	Compatible	Launch
PowerTeacher Pro: Setting Up District Grading Preferences	403	Compatible	Resume
PowerTeacher Pro: Setting Up School Grading Preferences	475	Compatible	Launch

Decide on a topic and select “Launch” to begin the course.

Once you’ve started the course you can stop and resume at any point. Also note that each course will display compatibility icon letting you know if the course is accessible on a PC, Pad or Smartphone.

“Mastery in Minutes” is meant to give you a quick lesson of how to accomplish a specific task.

Type “PowerTeacher Pro” in the Keywords box and select “Update Results”.

You will receive many more results from your search, possible multiple pages. You can sort the results by Title to help you find the task you are looking for.

The screenshot displays the PowerSource website interface. At the top, there is a navigation menu with links for Home, Support, PowerTeacher, Training, Services, Labs, and Community. Below this is a search bar and a list of links including Course Offerings, Course Catalog, Training Help, PowerScheduler, My Training, My Distance Learning, Manage Training, My Purchase Orders, and Contact Us. A red banner at the top indicates a site maintenance period from 6:00 PM Pacific Time. The main content area is titled "Course Offerings" and features a filter sidebar on the left and a list of results on the right. The filter sidebar includes sections for Keywords (with "PowerTeacher Pro" entered), Products, Roles, Categories, Mobile Device Compatible, and New or Recently Updated. The "Results Per Page" is set to 20. The "Update Results" button is highlighted with a red arrow. The results list contains 20 items, each with a title, description, view count, compatibility status, and a "Launch" button. The first item is "PowerTeacher Pro: Performing a Data Migration".
