

50th ANNIVERSARY CELEBRATION

The School Volunteer Association celebrated its 50th Anniversary with a special event held on May 17th with 300 volunteers, supporters, teachers and school administrators in attendance. The featured speaker was Malcolm Mitchell, a wide receiver for the 2017 Super Bowl Champion New England Patriots. Malcolm is a recent graduate of the University of Georgia, where he realized that his stellar athletic skills did not match his academic abilities. Determined to improve his academics, he became an avid reader and lover of books. This led to his writing a children's book and the creation of his own nonprofit organization to promote the benefits of reading and book ownership. After the event, Malcolm visited Dunbar School where he held a highly entertaining and motivating Reading Rally with the students, each of whom received a copy of his book, *The Magician's Hat*.
